

Library Management System

Home Page

A screenshot of a web browser window titled "Library Management System". The page features a dark grey header with the text "Welcome to the Library Management System" in white. Below the header, the text "Manage Books, Borrow or Return Them, View Available books, and more" is displayed, followed by "You Can Login Now And Enjoy Reading Books!". A teal "Login" button is centered on the page.

Admin Dashboard

Add books

The screenshot shows a web application window titled "Admin - Library Management". Inside, there's a tabbed interface with "Add Book" selected. The form has three input fields labeled "Title:", "Author:", and "Genre:". Below these fields is a green button labeled "Add Book".

View Available / Borrowed Books

The screenshot shows the same web application window, but now the "View Books" tab is selected. It contains two buttons: "Available Books" and "Borrowed Books". Below these buttons is a list of books: "book1 by Author1", "book2 by author2", and "book3 by Author3".
